

# NEW DYNAMO GAMES

THE FUTURE OF PLAY STARTS HERE

# INTRODUCING ALL-NEW GAMES

At Dynamo, we are always thinking outside of the box, bringing a new play experience to the playground!

Check out some of the new playground adventures in the Dynamo family!

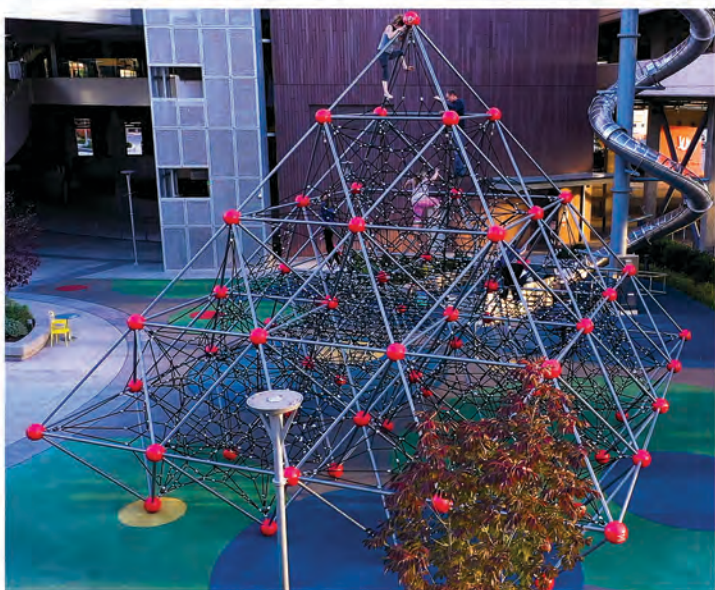

# HIGH IN THE SKY!

Give your community  
a crazy climb!

Look out bubble towers  
sparking imagination and  
a tall spiral slide – what  
more could a kid ask for?!

## Obstacle Course Adventures

Little ninja warriors will LOVE this one!

[www.dynamoplaygrounds.com](http://www.dynamoplaygrounds.com)

This game helps kids enhance balance, mobility and navigation skills as they trek through this challenge!

## **Multi-Level Slides**

As children grow and get more acquainted with the playground, it's important to give different incentives

to keep them engaged. By offering slides at different, young climbers can build their climbing confidence, eventually working their way through the playground to the ultimate BIG SLIDE!

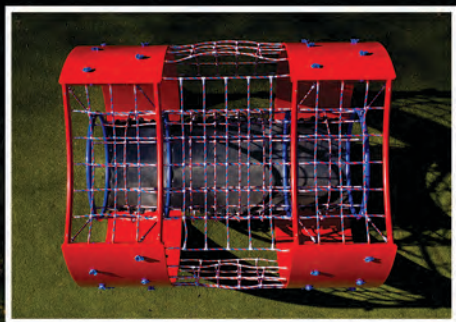

Looking to add an abstract, artistic perspective to your playground? Look no further than the Mini Splash! With the curvature of the game, children can ride the wave, enhancing their upper and lower mobility skills as they play

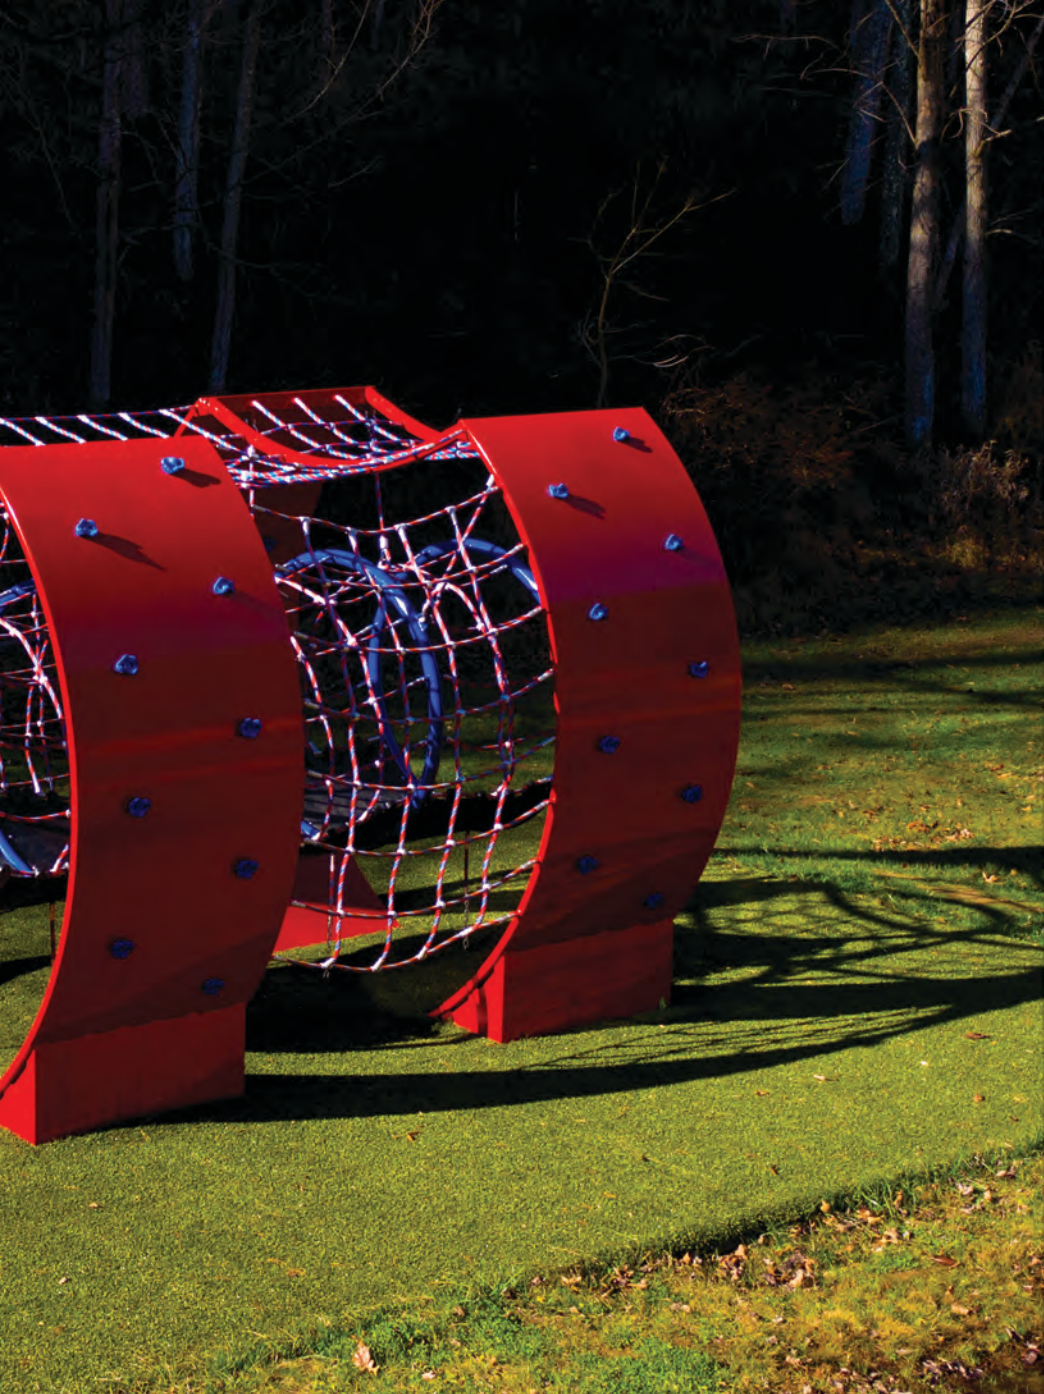

Dynamo playgrounds ignites  
the idea that you never  
dreamt possible for your  
community park.

We are always innovating and creating  
custom playground ideas to keep kids engaged.

Working on your next playground project?
